

QUEST - A Peer Reviewed research Journal

Copyright Transfer Agreement

Title of Manuscript:

Corresponding Author:

Manuscript ID:

The authors of the above-mentioned manuscript (hereinafter referred to as the "Authors") and Quest Journal] (hereinafter referred to as the "Journal") agree to the following terms and conditions regarding the copyright transfer of the manuscript:

Copyright Transfer:

1. The Authors hereby transfer, assign, and convey all copyright ownership and related rights, including but not limited to the right to reproduce, distribute, publicly display, and prepare derivative works based on the manuscript, to the Journal.

Exclusive Rights:

2. The transfer of copyright is exclusive to the Journal, which shall have the sole and exclusive right to publish, reproduce, and disseminate the manuscript in any medium or format, including print, electronic, and online platforms.

Originality and Authorship:

3. The Authors warrant that the manuscript is original, has not been published previously, and is not under consideration for publication elsewhere. The Authors affirm that they have obtained permission and properly acknowledged the work of others included in the manuscript.

Author's Rights:

Notwithstanding the copyright transfer, the Authors retain the following rights:

- a) The right to use the manuscript for their own educational and research purposes;
- b) The right to include the manuscript in their thesis or dissertation;
- c) The right to share the manuscript with colleagues for scholarly purposes.

Attribution and Citation:

4. The Journal agrees to properly attribute the Authors as the original authors of the manuscript in all published versions. The Authors shall be acknowledged for their intellectual contributions.

Plagiarism and Copyright Infringement:

5. The Authors affirm that the manuscript is their original work and does not infringe upon the rights of others. The Authors understand that any plagiarism or copyright infringement discovered in the manuscript may result in rejection, retraction, or legal consequences as deemed necessary by the Journal.

Reuse of Third-Party Content:

6. The Authors are responsible for obtaining proper permission and licenses for any third-party content included in the manuscript. The Authors shall ensure appropriate attribution of such content.

Amendments and Modifications:

7. Any amendments or modifications to this Copyright Transfer Agreement shall be valid only if agreed upon in writing by both the Authors and the Journal.

Governing Law: This Copyright Transfer Agreement shall be governed by and construed in accordance with the laws of [Jurisdiction], without regard to its conflict of law principles.

By signing below, the Authors acknowledge that they have read and understood the terms and conditions of this Copyright Transfer Agreement and agree to abide by them.
